Dear Swaine,

Thanks for the good point. Come to think of it, it would be better to have a 0012750 type in order to apply it to various devices.

I would like to request a change in the quotation.

I appreciate it.

Dear Minsoo Kang

I hope this finds you well.

In regards to your order, I just wanted to confirm that you have ordered the correct connector (0012745), as most of our clients are using the connector with flex cable (0012750):

0012745

Wire mount - gold plated

5020660002

0012746

PCB mount - silver plated

10020660002

0012750

I look forward to hearing back from you.

Best regards

Ryan
