Good morning,

Please see attached updated proforma invoice as requested. I have extended the dates so it now expires in 30 days time.

The smart plug is a **non stock item** so would have a lead time. I do not have that information yet.

Kind regards

Kate Griffiths

Dear Swaine,

Thanks for the good point. Come to think of it, it would be better to have a 0012750 type in order to apply it to various devices.

I would like to request a change in the quotation.

I appreciate it.
