Dear Ryan

Hope you are fine.

Finally after several try the samples reached to our country and our service team check on our LM devices and fortunately worked properly.

For second order we want to purchased 10 pieces of both R-22 & 47 sensors the same enclosed invoice.

As I am in the vacation in EU for 2 weeks it would be great to organize to have it on time.

Please make a quotation with last offer to netherlands and include our last remained 81 euro delivery charged in the offer.

Please note in last shipment the UPS charged about 50 euro additionally and if possible please check prevent any extra charge to us and may be you can use other available currier like HDL, Aramex,...

Looking forward to hearing you.
