04/Feb/2025 Steve Hardaker

Sending a veterinary VM-2500 that has stopped working. S/n 81040139, sold 2015. Says it won't power up and wants a repair quote.

19/Feb/2025 Steve Hardaker

She had some success turning it on but it went straight back off again with the rechargeable battery in it, and strangely she said it doesn't work with AA batteries. Is sending it in.

25/Feb/2025 Robert Connor
