Hello

Good morning

Thank you for confirming.

I have processed the new order for you however I do need to advise we have a lead time of 2 weeks for the R-17A-LV to arrive in stock, by then the R-21's should be here by then as well.

Sorry for any inconvenience caused by this.

Please let me know if I can assist with anything else.

hi,

thank you for the information.

Then please start a new order:

50 pcs R-22A

75 pcs R-22AV

25 pcs R-17A

25 pcs R-17A-LV

Are there any updates for the R-21A delivery time?

If they are not expected within the next 2 weeks please send the other sensors separatly.
