

Hi Steve - I am just processing an order for 2x 4420802 (VersaStream Viamed CO2 Sampling Line Nasal, Paediatric, Short-term Box of 25) - there is a memo on the stock page saying to check pricing as it has not been sold in over a year. Is £205.20 per box okay?

We don't have stock, so I have just done a warehouse request

Thanks, seen it. Pricing OK.
