Hi

Can I please ask you to arrange to ship 2 individual 5700001M non-sterile demo applicators to main theatres at Nottingham City. They need these for training. As these are not for patient use I presume it is ok to split the case of 5 that we have in stock.

Thanks

Tom

Tom,

Please could you advise me if these should be chargeable? We have no pricing for this product

Please do not hesitate to contact me if I can be of assistance.

Hi Katie

These are not chargeable. They are just a training aid. They nurse manager wants to use them to train her team. This is good as it saves me time and travel! :-)
