Returning an as yet unspecified blender for service, have asked for the model and s/no.

22/Oct/2024 Steve Hardaker

Serial number 02091, Maxblend(v1).

23/Oct/2024 Robert Connor

Received 1 x blender, no serial number, 1 x connector 22F-22F in sealed bag.

Please remind customer that equipment must be sent in with a declaration of decontamination status.

Unit does not have any identifiable serial or model number so I have used the hospital's asset number.

23/Oct/2024 Steve Hardaker

Customer was advised on 18th October "please send it to the usual address with a decontamination status document and the usual paperwork referencing the details of the device and sender, using the returns reference: SRS68934.";

25/Oct/2024 Catherine Spence

Serial Number has been entered incorrectly, should be BEF02091
