Good morning,

I can confirm that the proforma invoice is for the calibration of your devices.

You have asked for the lower casing replacements to be removed from the proforma invoice, I have done so (you will see that in the proforma invoice that has the total now as **\$751.50**). These lower casings include the battery doors.

If you are happy with this, please let me know and I can ask the service team to proceed.

**I have attached the proforma invoice here again, it has a different name for clarity.**

Kind regards

Kate Griffiths
