Good Morning Kate,

I would like to order 10 x part number 0110429 - oxygen sensor MAX-250E.

Please send me the proforma.

Is there any chance to get some of the 0110420 (MAX-14 (Fluke)) sensors earlier? I would also place an extra order for 5-10 pcs, if this makes customs and shipping easier.

Thank you very much and have a good day

Mit freundlichen Grüßen aus der sonnigen Pfalz

Good afternoon Franz,

Thank you for your enquiry,

Please accept my reply on behalf of Sophie.

We can supply part number **0110429 as an equivalent to the CAG-250E Sensor**. The price is €57.30 each EXW. These are currently in stock.

Regarding the other query, our export manager believes the sensor in the picture to be a Maxtec sensor. If you could take a picture of the connector type we could assist you further.

Many thanks.

Kind regards
