Good morning,

Thank you for your reply. I can confirm the pricing is as follows:

- Part number 0111277 - MySign O Oxygen Monitor Kit (including the monitor and mains power plug) = **€324.75 (In stock) Warranty 24 Months from Invoice**
- Part number 0111263 - Maxtec MaxO2 ME Oxygen Monitor = **€521.60 (In stock) Warranty 24 Months from Invoice**

If you would like me to send an official quotation, or Proforma Invoice which would include delivery costs to you via our UPS account, please let me know which unit you would prefer and how many units you require.

As both options are available in stock, we could ship within 1-3 working days from receipt of payment.

I have also attached CE Certificates and Instructions manuals for each unit.

I look forward to hearing from you.

Kind regards

Sophie Lines
