Subject: R22-Vi warranty

To: office@viamed.co.uk <office@viamed.co.uk>

Good Morning,

We have had two R-22Vi Sensors fail, whilst I believe they are still in their warranty period.

The two sensors were fitted in to a Drager Isolette 8000 incubator in September 2024. The manufacturing date on the sensors is April 2024.

The two serial numbers are V108003 and V108004.

Would you please be able to help with this query?

Kind Regards

Adam
