Asset No: 302762 (560189)

Date: 25/04/2025

Please find enclosed the above equipment returned to you for reasons outlined below.

Will you kindly examine the unit and inform us of an estimated cost of repair/service via E-Mail to the address stated below.

Reason for Return of Goods

.....
Test equipment needs calibrating.

Please quote our reference number when forwarding any communications to ourselves.
We will then arrange for an order number to be forwarded to you upon provision of required details.

NOTE: We reserve the right to refuse payment for repairs carried out prior to a Purchase Order Number being obtained.

Yours sincerely

Alex Benton
