Notes 28/Mar/2025 Ryan Swaine

28/Mar/2025 Ryan Swaine

8x R-22MED sensors that have been supplied well over 12 months old and rejected by the end user. Please replace with R-22MEDV sensors upon their return (credit the R-22MED and invoice for the R-22MEDV).

Please supply replacements with FOC carriage.

I do not believe the R-22MED can go back in to stock, as they are too old, may have to be written off.
