Hi Kate, please can you take care of this one?
Incoterms must be CIP or CPT depending on if they require insurance?

Thank you, Ryan

Dear Ryan

I have a customer that wants 2 sensors R-17MED , for the VIAMED oximeters MX300-1
Knowing our frustration with DDP handling, please send to me a draft proforma invoice of the cost of the two units, including freight to present it to our customs people so as to find out an estimation of the clearance cost at our side.

Thanks
Regards
Nick
