Hi Steve,

I hope you are well

Can we have the following order under PO #3376 for July batch date and delivery please

500x Coax

200x Molex

Can you please confirm the ETA on this also and if any issues or suspecting delay please let us know

If we could get this for the beginning part of the month as requested before would be great

Also, as we have ordered 500 does this generate a price difference, can you confirm what that is per piece so we can update our systems 😊

I look forward to your response 😊

Kind Regards,

Ashleen 😊
