Hi Ryan,

My understanding is just to miss the June delivery and start again in July with normal quantities.

Hi Robert

I don't see any issue at the moment, but I'll look into it and get back to you tomorrow.
Could you please confirm whether you'd like to cancel the June deliveries altogether or double up in July?

Best regards

Ryan

Hi Ryan,

Schiller have asked me if it would be possible to postpone the standing order delivery in June for the 3 orders and commence again in July? Everything would then get pushed back by one month?

I think the roll out of the next batch of machines has been delayed and they are temporarily fine for stock?

Is this possible?

Regards

Robert
