Hi Oli

I tried to call you earlier but your line was engaged.

I am sorry, you are absolutely right, I forgot to add the 2x R-33DE sensors to your recent order. Would you like us to put an order together for them now, we will cover the carriage costs?

Best regards
Ryan

Hi Ryan,

Can you check please we ordered 2 sensors direct ship, 2 sensors to come with the analyser, there were no additional sensors with the analyser I'm afraid. (see below)

Could you give me a ring after you've checked on 0161 796 0300 😊

Hi Oli

Due to the urgency of your two sensor orders, we have skipped the proforma stage and sent them straight down to our warehouse for processing.

Please find a copy of the two sensor orders and a copy of your proforma invoice for the analyser.

Please can you make your payment for the total amount = £294.00

Best regards
Ryan

Hi Ryan,

Sorry for the delay in replying, I've had 2 staff members quit and been doing everything myself, it's been fun.

Ok I need 3 of the sensors we ordered shipped to me
1 of them directly to a customer
And 1 analyser with quick ox to us as well please.

Let me know if we can do that.
