Carriage cost on RFG024372

Sophie logged an enquiry 22 hours ago (27/05/2025 10:49:47)

Good Morning,

I am emailing regarding your order RFG024372 which we received this morning. The order will have a £10.00 carriage charge applicable - please can you confirm you are happy for us to proceed?

If it helps to avoid delays with future orders, you may want us to add a memo to your account which advises that all future orders have carriage costs pre-approved upto a certain value - please let me know if this is something you would like us to add to your account?

Kind regards,

Sophie Lines
