Good morning Steve,

I hope you are well!

Would it be possible to pull the following order in?

50 off 0110432 on PO 429001781 from 1st July to ASAP this month.

I will check on the rest of the schedule but the above is urgent, so I've sent ahead.

On a side note, have the amendments to the order I requested in February been done? I need to change the order my end to match.

Thank you
Harroop

Hi Harroop,

That should be fine, I'll ask the sales admin team to amend as instructed.

Good afternoon Steve,

I hope you are well.

I been reviewing my orders and it looks like my system has over egged the demand I have for the sensors.

Would it be possible to cancel the final line on PO 429001781 for 242 and reduce the November line of 120 to 115?

Thank you
Harroop
