Hello,

We have been forwarded the below correspondence from Helix, requesting ourselves to facilitate this order on their behalf.

When possible, can you please provide a revalidated offer addressed to ESWL Limited. Can you please include within your Quotation any reseller discount if applicable, expected lead time and any freight/packing charges for delivery to Aberdeen.

Your prompt response on this matter will be greatly appreciated.

I look forward to hearing from you.

Kind Regards

Rhys

Thanks,
