Hello,

Thank you for the info, I didn't look at the price list to place the order. Can you add one more TEK-OX but don't install the O2 cells and include them in their sealed package?

Hi Guy

Thank you very much for your order.

Just to let you know that there is a better price for 2+ TEK-OX. I will leave your order at one unless you let us know to amend it.

Best regards

Ryan
