Hi Kate,

They are for the International Biomedical Aeronox 2.0 Nitric delivery system. We have ordered them previously in March 2025 under PO P15170542.

Best Regards,

Hi again Maresa,

Our commercial director has asked me to check which devices you will need the sensors for?

In the meantime, I will create a quotation for you, any addresses can be changed (if you choose to proceed) from a purchase order.

Kind regards

Kate Griffiths

Hi Kate,

Sorry I missed this bit of your email. At this time I would be wanting 4 of each sensor.

You don't often get email from kate.griffiths@viamed.co.uk. [Learn why this is important](#)

Good morning Maresa,

Thank you for your email.

Please accept my reply as Steve Hardaker has left our employment. All the office team can access emails sent to orders@viamed.co.uk

I need to check these prices/availability with our commercial director, so I will reply again as soon as I have the information. **Please could I ask how many of each you may be interested in?**

Many thanks.

Kind regards

Kate Griffiths
