Next Steps - Onboarding and Support

Once this contract agreement has been signed and returned, you will have access to the software application and services and the onboarding process will occur.

Onboarding

A Customer Success Manager (CSM) will reach out to you at the beginning of your subscription to schedule an onboarding call. We suggest all members of your team join us for that call. The CSM team will work with you from the beginning and throughout the life of your subscription to ensure you obtain maximum value from our service.

The initial onboarding and set up process will establish the following:

- Tailor alerts to your business to ensure you don't miss a tender
- Understanding the key features, functionality and how they support you to find and win tenders
- Establish a way of working between you and your CSM
- To agree success criteria to review throughout your subscription
