Hi Joey

Thank you very much for your email and please accept my reply.

Each of the sensors is GBP £35 EXW. Delivery to a UK address would be £6.

Please note that if we deliver to a UK address, we must add the UK VAT at 20%, which would be GBP £29.20

Please let me have your UK address details if you would like to proceed.

I will await your reply.

Best regards
Ryan
