Dear Simon

Following on from our telephone conversation yesterday. Please find attached an image of the damaged that we have noticed, and also a revised quote. I have listed every thing on the quote including the service and have added the purchased order number to it. If you would like to go ahead with the extra repair work, please could you get your purchase order 51248448 amended to the updated price, if you wish for us not to repair and just want the service to be done, please let me know by email. Thank you in advance. If I can help further please do not hesitate to contact me.
