Good morning Amara,

Thank you for your enquiry.

The price breaks for part number 0110026 R-26MED are as follows:

1 = £ 83.70	2 = £ 81.70 each	3 - 10 = £ 79.60 each	11 or more = £ 77.50 each
-------------	------------------	-----------------------	---------------------------

Carriage is free for medical oxygen sensors and all prices are excluding VAT. There is no minimum order quantity.

Please could I mention that depending upon your application, you may need to use the original flow diverter.

Please let me know if you require an official quotation or proforma invoice, or if I can be of any further assistance.

Kind regards

Kate Griffiths
