Good morning,

Thank you for your order for 7x 0110803 (OOMLF110 Lead Free Oxygen Sensor) in stock. Unfortunately, we do not have enough units available to fulfil your order at the moment - the lead time for the full order would be approximately 4-6 weeks.

Alternatively, we do have a compatible oxygen sensor available in stock, **however this is not lead free**. Part number 0110040 (R-30V Oxygen Sensor). The price would be £61.90 each if ordering 7.

Please let me know how you would like to proceed?

Kind regards

Sophie Lines
