Dear Udi

Thank you for your order and email.

We would be happy to supply you on a trade basis.
Please find our trade prices and some product information attached.

If and when you are ready to place an order, please email us with your request and we will provide you with a proforma invoice. Payment can be made via bank transfer or we can send you a link where you can make a card payment.

Just to let you know, the TEK-OX is readily available, but we have some delays on the production of the VN202; the manual off version is available from stock, but the auto off version is currently delayed and could be a few months before it is available.

I look forward to hearing from you and please let us know if you have any further questions.

Kind regards
Ryan

Thank you,
Is it possible to get a dealer's price list?
I sell a lot of Analyzers and can buy sensors in bulk.

Thank you,
