Hi Jan

We are trying to make a few changes and hope to try and ship sensors earlier. This is the aim, but we cannot always guarantee.

We plan to ship the June batch on Monday the 2nd of June. Which shipment service do you require: **UPS Express Saver** or **Express**?

This will then leave the following forward orders:

July 800 sensors

August 800 sensors

Do you have any idea of your requirements for September?
