Good afternoon Mei,

Thank you for your email.

Please accept my apologies. Your quotation had VAT on it, it should not have VAT included.

Please see attached proforma invoice, I have removed the VAT.

It is likely that you will have to pay local tax upon importation, but of course the VAT charge should not have been on the quotation.

Our payment terms are pre-payment. The bank details can be found at the bottom left hand side of the proforma invoice attached.

Again, please accept my apologies for any confusion caused.
