Dear Andrea

Unfortunately we only have a GBP account. I can't tell you what you would be charged for the conversion into EUR, for this you would have to speak to your bank.

If you wanted to pay by card, we would charge your card at GBP and then it would appear as EUR on your account statement, your bank will conduct the conversion at their current rate.

Best regards
Ryan

Good afternoon,

I'm sorry if I disturb you, but I really need to buy two of these products as soon as possible;
Unfortunately we can't proceed with any transition without an estimate of the cost in euro.

I hope to hear from you soon;
