Hi Kate,

Thanks for letting me know about the price change.  
I have re-submitted the amended purchase order to reflect the correct price of the part.  
From what I can see the purchase order will now be **AP15555198-000-001**

If you can let me know if there is any further issues, then I would be grateful

Kind regards

Craig Conway

You don't often get email from [kate.griffiths@viamed.co.uk](mailto:kate.griffiths@viamed.co.uk). [Learn why this is important](#)

Good morning Craig,

Thank you for your PO AP15555198.

Please could I advise you that the correct price of part number 0110452 - oxygen sensor MAX-550E with standard flow diverter (for use with MAXO2 ME Oxygen Monitor and MaxBlend2 Monitor/Blender) is £112.10 each when purchasing one. The other price breaks are as follows:

<b>1 = £ 112.10</b>	2 = £ 109.40 each	3 - 10 = £ 106.60 each	11 or more = £ 101.00 each
---------------------	-------------------	------------------------	----------------------------

Please let me know if you would like me to proceed.

Carriage is free for medical oxygen sensors.

Many thanks.

Kind regards

Kate Griffiths
