Dear Joost

Thank you very much for your order.

Just a couple of things to note:

- R-22DEM is for the very old O2E11 analysers (19 years+), most of the O2E11 analysers require the R-33DE
- 1x TEK-OX is £140 (trade), 2+ is £125 each

Please let me know as soon as possible if you require any amendments.

Best regards

Ryan
