Hi Dinie

The warranty for the VN202 is 5 years and the Mysign is 2 years from the date of invoice.
The warranty period on both devices does not include sensor, batteries or sensor cable, for these parts it would be 12 months.

Best regards
Ryan

Dear Ryan,

Would you be able to quote us for this model: <https://www.vandagraph.com/products/mysign-o-oxygen-monitor-kit-0111277> as I don't seem to find on our Trade price list. Also is this readily available? We are after 4 units.

Another question is for the VN202 mkII Oxygen Analyser (7910100) - is this readily available as well?

I look forward to hearing from you.

Thank you very much.
