Dear Haya

In regards to your order 2011994 for 8x MD300-C29 Finger oximeters.

We have had some difficulty getting this model, as they are not currently in stock with the manufacturer.

We have, however, ordered stock of the MD300-C2, which is available and should arrive with us later this week.

The MD300-C2 has identical features, specifications and price, it also looks very similar.

Would you be happy for us to change your order to the MD300-C2?

I have added a picture of both devices below.

We will await your reply.

Kind regards

Ryan
