Hi Catrin,

Apologies for the delayed response.

Unfortunately, we're unable to add clauses to the terms and conditions, as they are set by the wider organisation.

However, I can confirm that since you're no longer bound by the contract's terms and conditions, you are free to adjust your pricing if needed. We just kindly ask that you provide us with as much notice as possible so we can update our catalogue accordingly and avoid any pricing or invoicing queries.

Many thanks

Jessica Heaton

Good Morning Jessica,

Apologies for any confusion. As discussed, we are willing to sign extensions through 31 January 2026, provided we include a clause that allows us to adjust pricing with 30 days' notice should circumstances require.

Kind regards
