Dear Majeed

Thank you for the quote, could you please add the cost of shipping to Guinea Conakry for these items?

Please do not remove my colleagues from cc when replying to the emails, this is to enable us follow and be able to step in when needed in case one of us can't access our email.

Hello

Good afternoon

Thank you for your quote request.

Please see below for your attached proforma invoice detailing the price and product you require.

Can you please have a look and see if all details on the proforma including addresses and are correct or if any amendments are required, also can you confirm if you want us to workout the shipping costs for you or do you want to arrange your own collection?

If your happy with it and would like to proceed, could you please make payment of the PI amount so we can convert it to a order.

Please let me know if I can assist with anything else.

Kind regards
