Hello

Good morning

Thank you for your order, 3119.

Please see attached below for your order confirmation

I have added the Pulse Oximetry Silicone Finger Sensor (Adult) x 9 as your free accessory with the VM-2160 device, can you confirm your happy with them?

The current lead time is around 3-5 weeks before we can dispatch your order as we are in wait for the VM-2160 Device but we are working to improve on that unless you require a part shipment and we will ship whatever we have in stock.

Please can you advise if this order is ok so I can proceed.

Kind regards
