Hi Sarah,

Thank you for your email. I have generated and attached an official quotation showing the prices for the requested part numbers.

**All items are currently in stock** - if this order was placed all together (as per in the quotation) it would qualify for free of charge carriage, as we do not charge carriage on orders containing oxygen sensors. If you were to order any items separately, they may incur a carriage charge.

If you would like to place this order, I would be grateful if you would please include the quote reference QVM158441 on your order paperwork.

If you have any questions, please do not hesitate to contact me.

Kind regards

Sophie Lines
