To: enquiries@viamed.co.uk <enquiries@viamed.co.uk>

Hello,

Please quote Price, Delivery and Availability for the following item(s). Please include any packing & carriage costs in your quotation. (Please state if the goods are hazardous)
.Please advise against the below points in your quotation, if you are unable to bid for any reason please advise by return:

1. **Portable Nitrogen Analyzer** – Similar to attached, if possible, Teledyne Model AN300 available on some websites. <https://www.directindustry.com/prod/teledyne-analytical-instruments/product-16388-1703325.html>

- Packing & Carriage charge to Midcontinent Aberdeen Limited, Blackness Road, Altens Industrial Estate, Aberdeen, AB12 3LH, Scotland U.K.
- Delivery Period
- Weights & dimensions
- Tariff Code & Country of Origin
- Manufacturer details

- Please advise if the goods are hazardous for transport – road, air or sea, if so please supply the relevant MSDS with your offer. If the unit offered contains any battery, including Lithium, we need a full MSDS (Material Safety Data Sheet) with the quotation.
- Please advise any additional costs for Certifications, such as, Material/Material Test, Calibration, ATEX, Certificate of Conformity, etc. with the quotation

Kind Regards

Grant Mearns
