Hello

Good morning

I do need to advise the price for the replacement is higher than the original sensor you required.

The current price for the alternative is **£68.70** each.

Please advise if that is ok so I can proceed with your order.

Hello

Good afternoon

Thank you for your order, 0000630774.

I am currently processing this now but need to advise you the part you require T-7V (0110058) Oxygen sensor has been discontinued and we have a alternative which is part number 0110057 (T-7)

I have added some pictures of the alternative below.

Should I proceed with 4 of the alternatives instead of the T-7V you requested.

Please advise.

Kind regards
