Hello Kate,

Sorry for the inconvenience, we just received the message from our customer.

Have the items been shipped out? If not, please send us 2pcs UFO 130-Amplifier, 100pcs R-23V sensors (without boxes) and 20pcs UFO 130-2(with boxes) in one shipment this week.

Btw, could you please tell us the manufacture date for the 20pcs UFO 130-2(with boxes) ?

Thanks for your help.
