Good morning,

I have checked with our export manager. We *suspect* that the MLF-16 is a suitable replacement, **but unfortunately we cannot currently confirm this.**

Good morning,

Thank you for your email.

I have checked with our export manager and he says that we would be happy to ship to Malaysia.

We are able to supply the **MLF-16 and MLF-16D**. **If you let me know which machine you would be using the sensor with, I can check if either of these is compatible?**

If so, how many would you be interested in please?

Many thanks.

Subject: Distributor shipped to malaysia.

To: <[orders@viamed.co.uk](mailto:orders@viamed.co.uk)>

Hi as I was informed Viamed does not shipped to Malaysia. I am interested in purchasing ITG MLF-16HL lead free oxygen sensor. Can you arrange special delivery from Viamed to Malaysia? If not possible can you suggest your distributor in or near Malaysia that can shipped the item to me?

Thank you.
