Good morning Kate,

We would prefer in single.

Recently we have a new import procedure here in the UAE and accordingly we must apply for MOHAP permit before we import any shipment.

To apply for the import permit, we need the below documents from you:

1. Authorization letter addressed to MOHAP.
2. Invoice copy
3. CE certificate (received)
4. Catalogue

Once we receive the above documents, we will apply for MOHAP approval. You can proceed with the shipping once we receive the import permit.

Your prompt response would be appreciated.

Thanks & Regards

Good morning,

Thank you for your order. **Please could I ask if you would like the R-22VA sensors in singles or packs of two?**

Please see attached CE certificate. Ryan will be able to send you the authorisation letter later.

Many thanks.

Kind regards

Kate Griffiths

Dear Kate,

We would like to place an order for the below items.

Viamed Oxygen Sensor R-22VA                      Qty: 30

Before we proceed we would like to know if you have CE mark for the ordered item. Please share it with us in order to apply for MOH import approval. Also we would like to have an authorization letter from your side confirming that we are authorized to sell your products in the UAE. This letter should be addressed to MOHAP (Ministry of Health and Prevention).

Your prompt response would be appreciated.
