4 PAYMENT

4.1 The Supplier will provide the Purchaser with a valid tax invoice setting out the amount payable by the Purchaser to the Supplier for the Goods or Services.

4.2 All invoices will require the Purchase Order number to be quoted on the invoice. Any invoices received without the Purchase Order number will **not** be processed for payment and will be returned to the Supplier for resolution, resulting in a delay to processing payment; unless agreed otherwise.

The Purchaser will not be bound by any other terms the Supplier may purport to apply (including on an invoice or other document and whether before or after submission of an Purchase Order by the Purchaser) or which are endorsed upon any correspondence or documents issued by the Purchaser, except to the extent that the Purchaser and the Supplier enter into a signed agreement relating to the provision of Goods or Services by the Supplier to the Purchaser in which case that final, signed agreement will take effect to the exclusion of these Terms.

Any single or partial exercise of any such right, power, privilege or remedy shall not preclude any other future exercise thereof or the exercise of any other right, power, privilege or remedy.
