In order to complete your quotation, please could you let me know **how many** 4310007 Spirotrue A (**box of 5** you require?)

Dear Kate,

Good Day,

Thank you for your reply.

You will find attached the updated excel sheet of our order.

We have three main questions mentioned in the excel sheet:

1. If you tell us the expiry date of the T-7 so we can fix the quantity needed from this item.
2. Concerning the Spirotrue A, we used to buy it in a box of 5, so the price mentioned in the table in the price of the box or the item?!
3. You didn't quote us the last item coded: PSR 11-75-KE7, so if you can quote it for us.

Thanks in advance.

If you need any further information about it feel free to contact me.

**I'm looking forward to your kind reply as soon as possible.**
