Dear Mireya

Please accept my apologies, this is my fault, for some reason I only added one DIN KIT to your order.

Please let me know what you would like us to do:

1. We can ship you the one DIN KIT, the part will be chargeable, but we will cover the transport costs.
2. We can add the DIN KIT to your next order.

I am again sorry for inconvenience and I look forward to your reply.

Kind regards

Ryan

Good afternoon,

On 02/09/2025, two Vandagraph analysers arrived.

Each one was supposed to include a DIN kit, but one of the analysers did not come with it.

I am attaching photos of the kit that did not arrive.

Please, can you provide me with a solution?

Thank you,
