Hello Michael

Good afternoon

Thank you for your order, 5260670.

I am currently processing this now but need to advise you have the incorrect price for the Oxygen sensor MLF-19, the correct price for that is **£98.50** each EX VAT.

We are also collating information on where this sensor is being used, can you please confirm which equipment you will be using this on.

Please advise if you agree to the above price so I can proceed with your order.

Kind regards

Aqib Majeed
