Hello Ryan,

Yes please. If you could send a revised quote my way, I can send you back a revised PO.

Sorry... I got the count wrong. We are looking for 13 oxygenators total for this PO.

I believe we also missed ordering these additional components on previous orders, so we are looking for an additional 6 blue tees, and 19 barbed connectors.

In total, maybe I please have a revised quote for:

13 Oxygenators w/ the 13 blue tee's

6 additional blue tee's

19 barbed connectors

Thank you,

Hi Ariel

Unfortunately they have not been dispatched yet, we are a bit behind this week due to staff shortages.

The Blue Tee is included in the original order, but the barbed connector is not:

Would you like me to add the 3 devices and the 13x barbed connectors?

Best regards
Ryan

Hello Ryan,

I just wanted to follow up to check on the status of this PO, see if it has not shipped yet if there was any way we could add on 3 more units?

Also, wanted to confirm that the oxygenators come with these components as well? I see them listed on the quote, but I just wanted to make sure.

Thank you,

Ariel Dominguez
